And then:" What I know for sure is that for now I don't have any prohibition of travelling. But the precautionary custody in Egypt can last a maximum of two years. ; Another 45 days in 15 days, but this time a blow for the young activist and student, sentenced to spend at least 45 days in prison (7 December 2020) after waiting for days; the sentence; which should have sanctioned his release (his lawyer had requested him in the past days), here is another Batosta for Patrick Zaky : the judge; of the court of Cairo has; established that the student of Bologna will have to stand in prison at least for another 45 days, as a successful; in the past. The boys of the boy discovered him by going to visit him, but together with the lawyers they have not yet managed to determine which area of the infamous prison has been assigned: if it should be included in the section reserved for political prisoners, his case would spend to national security. He will humbly apologize to him and proy you not to leave him. Best wishes, Patrick: we will never leave you alone ", instead the message published by the European Parliament president; David Sassoli. The message of Zaki from the courtroom (September 29)" I come back soon. ; So even the secretary Democratic Party, Enrico Letta :; "Today Patrick Zaki turns thirty years. f "Diffusion of false news inside and outside the country", so it risks 5 years. Only the Fdi deputies have abstained votes. - Matteo Lepore (mayor of Bologna): "The news of the imminent release Of Patrick Zaki is good news that gives us concrete hope, after many months with suspended breath. "Yes. The process was updated to April 6th." After hours of waiting, this shameful and disconcerting decision to renew the possession of Amnesty Italy Return our son to us and return all our lives ". The favorable senators also asked that the; Government prompted the Egyptian authorities for the protection of human rights in countries where violations persist and to bring Initiatives to the G7 with particular regard to cases of repression of political activists. The Italian citizenship to Patrick Zaky. Hello since the last night and I am facing a huge computer attack on my e -mail and social media accounts. We are ready for this new challenge, to relaunch the Calabrian airports of Crotone, Lamezia Terme and Reggio Calabria, to attract tourism and investments, to revitalize a decisive sector for the development of our region. "From what we know - he continued - because we don't have much information, release does not mean saying The process is still in progress, so you have to wait, understand how this phase evolves. We would like - the appeal of the Association -; that the Italian government would immediately do one thing: to convene the Egyptian ambassador to Rome to express all the bewilderment for this fury and ask for it to be released "said Riccardo Noury, spokesman for Amnesty International in Italy. A lawyer, Hoda Nasrallah, explained to the ANSA that the decision of the judges does not allow to glimpse a light that does; hope for a next release, despite being 15 days and not 45 as presuppose the judicial phase in which it is Find the boy. I study. "Today #patrickzaki turns 30 in prison away from the people dear to him. I know the law and if I had been aware of any illegality I would not have returned. "Despite everything - they added; the activists -; we continue to hope and hope that the situation changes and that we will find Patrick among us as soon as possible". Patrick Zaki is all; Contrary ", commented Riccardo Noury, spokesman for Amnesty International in Italy on Twitter. "I think I can come to Italy to the most soon," he said. During the short hearing, Patrick was in the cage of the defendants. Oltre the comments of activists and politicians after the release, but not acquitted. But the appeal was not accepted, and now Zaky remained in prison at least until Saturday 22, when the young man returned to the classroom for the bearing on the accusations. The boy, enrolled in a Master all over the University of Bologna and arrested the â & Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â A are innocent. Thank you . 'He â really to all the whole Italy ". Yet" he still finds in his heart the strength to be happy for his friends and to wish them the best "." However, we reported the reactions of activists and political parties to the release of the student of Bologna. The boy confessed to her that he spent the night with Steffy and that the girl is now pregnant. The meeting between Zaky and the mother (December 22) After the last postponement of release on 6 December and the appeal of Amnesty International who, regarding Zaky, speak of "physical and mental conditions being deteriorated", the mother of the Egyptian student of 'University of Bologna was finally able to visit him at the prison of Tora; last December 19th. Zaki released but not acquitted (7 December) screams of joy of family members and activists outside the courtroom of Mansura, in Egypt: Patrick Zaki, in prison from February 7, 2020, will be released. " of the trial ", would report the sources, specifying that they do not know if the student of the University of Bologna has a passport or not:" but it doesn't matter, because it is forbidden to travel "abroad, they reiterated. Liam revealed to Hope that he had betrayed her to stay in prison. Our university has fought from the first day, since that distant February 7, 2020, because Patrick's rights were respected and to reiterate our support for the fundamental rights of the person, to the freedom of speech and teaching, and the unparalleled value of critical thinking ". as well as Europe must make diplomatic pressure of the The agency said had said: "I have no guarantees on the final decision, in these cases I always try to stay optimistic.; The birthday in the cell (June 16) on June 16 Patrick; he turned 30. Patrick is in prison In Egypt for almost 20 months. We continue to fight for his liberation to leave this nightmare he ends soon. An examination, in videocollection, which "has been passed and also brilliantly", specified Monticelli, affirming did not have " Never seen a student so happy to do an examination. "Zaki's wishes for the new year just started, dedicating a thought Particular to those who are still deprived of the liberty: "I hope that next year everyone is in their homes", his wish. The trial was updated to June 21. The girl did not want to reveal None to nobody but his pregnancy and Liam's decision to say everything to Hope, the h year pushed to tell the truth also to Finn. - "Continue to support, in bilateral relations with Egypt and in all European and international underlying, the immediate release of Patrick Zaki and all prisoners of consciousness: defenders of human rights, journalists, lawyers and political activists who ended up in prison only for having peaceful their fundamental rights in a peaceful way "; ; - "Continue to adopt initiatives to be the Egyptian authorities respecting the rights to ] Egyptian authorities and naturally on the Italian ones because Patrick is issued for Continue ã ¢ â € a € to mobilize the network by dedicating real and virtual initiatives to Patrick â € a. He also added that he knows that; Bologna football is not so good: "I also know that, but I continue to cheer for them". There are no reliable forecasts on the duration of the process, which resumes with the next hearing scheduled for February 1, 2022.; Again: another 45 days in prison (27; July) The precautionary custody of Patrick Zaky was prolonged for another 45 days. It is not easy for her to reveal everything about her to reveal everything about her to her new partner, the only one is after so many years Â that it is managed to make her forget the Spencer. The agents, during a service to contrast the drug dealing, noted, at a building in via Cloude Monet, a voung man who entered the building. We will check, between the Calabria Region shares and Fincalabra shares, 61.2% of Sacal. We are waiting for you, Patrick. "The Wish Everyone a Happy New Year. Sacal approves the budget is aland, which make him extremely difficult to bear the visit both physically and mentally. All questions to which nobody manages to answer for now. ; But it is also accused of crimes; more serious ("undermining national security" instigating "to the reversal of the regime", "to the use of violence and terrorist crime"); for the Which risks 25 years in prison. "Go to trial," continued the spokesman for Amnesty, "for a written in defense of the Coptic minority, which dates back to 2019; the tests of the State Security Prosecutor are secret, so this accusation apparently seems to come out of nowhere, But it is part of everything that has been falsely mounted against him. " In the cell. Best wishes, Patrick: we will not leave you alone. ; "That these painful words of Patrick can come back soon in freedom, "he reported Riccardo Noury by Amnesty. It is the first Christmas that the student of Bologna spends in LibertAfÅ, between the walls of his home and together with the family, after or almost two years spent in prison in Egypt (his family, however, is of Coptic religion and celebrates Christmas on 7 January). ; The green light to the motion for citizenship (7 July) the room; approved at unanimous the motion for Italian citizenship in Patrick Zaki. The Bologna student is now in Egypt, an expectation of the Next hearing scheduled for February 1st, Å, Å and let it know so that it finally supported the final examination of the first master's session in gender studies, the same one should support before Being arrested in February 2020. Å, Å "ÅfÅ is very nice to be a student again and I don't see the time to participate in LLE lessons in presence. I still have back problems and I need strong painkillers and something to sleep better "," my mental state is not a granchAfA © ". It is read on; Zaki ticket addressed to the 'Italy and; written by his cell; on the day of his thirtieth birthday, in which he also added the phrase "Forza Italia today in euro", in reference to the national team committed to football Europeans. I hope that next year everyone is in the Their houses on every occasion or moment that they used to pass with their loved ones and nobody is deprived of those moments. I also tried this and it will always be present, at least spiritually when it comes to freedom ". And when he was asked how he is, he replied :;" Well, I'm fine, not fâ" then bad here ". Unfortunately I have to say released but not acquitted," Defendi, who then pointed out: "But we ask that, instead of asking us what There is the courage to ask all those who boast of Patrick Zaki's liberation because it was not possible to save Giulio? It is of great inspiration. But they are not founded accusations: Patrick is a quiet boy, he has never done anything wrong and has no precedent. I know it. ; Another 45 days of imprisonment; (2; March) a month since this piece was updated the last time nothing has changed: the Cairo court has decided to prolong the possession of Zaky; for others 45 days, despite; the lawyers of the student of Bologna had asked for his; released leaving the least could meet the hospitalized father. Since 2016, that Italian boy talked about all social media and Patrick also knew the case, if neither  $\hat{a} \in \hat{a}$ . The key to Patrick's cell is in the hands of the Egyptian judges but is also in the hands of the Italian government. Hope's response, obviously upset, does not have to wait but she impulse, is the only judicial case in Egypt which is constantly monitored by A group of foreign countries ". In view of the next hearing, the boy's lawyer, Hoda Nasrallah, asked for the acquisition of further acts (that is, be: recordings of surveillance cameras of Cairo airport, minutes drawn up by a national security agent and a police one, in addition to copies of minutes of a civil trial and the convocation of a witness); to demonstrate the alleged illegality of the arrest. The news was communicated by the organization for the defense of human rights; EIR (Egyptian Initiative for Personal Rights, NGO with which; Zaky; he collaborated). ; Here's what the woman reported after the meeting, What reported; on the "Facebook page" Patrick Libero ":" His exact words have been: 'I am physically and mentally exhausted, I can not take more than being here and I depress with every important stage of the academic year while I am here Instead of with my friends in Bologna '. Zoe was able to convince her not to put himself in the middle in his life. As for diplomatic relations between Italy and Egypt, these continue to remain firmly of the end there is no "An advancement by the Egypt of collaboration for the Search for truth and justice for Giulio Regeniã ¢ â € a et a vear and seven months of the chamber. The first hearing of the trial (13 September) "as it was feared, after a vear and seven months of the chamber. preventive detention, Patrick Zaki goes to trial. The agents, profound connoisseurs of the area where a flourishing drug dealer is present, are managed to enter the housing complex and, with the support of a firefighters team, to access a basement before seizure for crimes in the field of drugs; there surprised three people by succeeding, not without Difficulty and after a scuffle, to block two. So to Ansa; Riccardo Noury, spokesman for Amnesty International Italy. I want to say, something that justifies all this time in prison to lose his life for no reason, not There is no proof,  $\hat{a} \in \hat{A}$  A<sup>14</sup>. The judges who follow the case. On April 4th, always through a twee T, ' $\hat{A}$  Zaki had made it known that the social accounts of his email â had been targeted by a computer attack. When we got into the car I said to myself 'but what's going on? I was very confused. "For me a really great honor be mentioned by a person like Liliana Segre, who has an incredible vision. Marise George has Speaking of the depression of which the brother suffers from "due to the situation in which he finds". Will you be able to pass over this umpteenth problem with his partner, once again guilty of having consoled himself in his sister's arms? Also Giovanni Molari,; the Rector of the Bolognese University where Zaki studied, commented on him:  $A \notin A$  images that come from  $\psi a A \hat{a} \notin \mathbb{T}$  at c is filled with happiness. There is no action of the men of the plain commissariate men aimed at contrasting drug dealing. The attribution; it was deliberated by the academic Senate and joins the accession of the Bologna University of Underworld then reported the outcome of the Egyptian court's audience to man through the Twitter account of him. We do it now. The fascinating medical will succeed in forgiving it or will go away, leaving it again alone to face the arrival of a son of her? ; "I did this trip" from Milan to Rome, he continued Segre, "because there are opportunities when one must win the forces that are not always very bright. The first hearing is scheduled tomorrow, September 14th. For Amnesty International this is the confirmation that in Egypt the rights of Zaky "Valgano less than zero". First of all, you don't know when the student of Bologna can get out of prison, if this will be possible immediately or if It will happen in the coming days. The president of the Roberto Fico room replied, together with the woman; at the evening "doing things to Giulio" organized at the Teatro Duse di Genova. In over ten Italian squares this evening we will go down with a state of Soul other than usual and more optimistic ". Because it was not possible to have 4 addresses to whom to notify that 4 people are investigated for torture and of Julius? " € Å. Liam Pray Hope to forgive him in beautiful anticipations 12 March 2022 Liam revealed to Hope to have betrayed it. Secondly, the journey up to the next hearing, set for February 1 2022, could be more complicated than What we think: Zaki, for now released but not acquitted, remains still accused by the Egyptian authorities of the spread of false information through three journalistic articles and therefore continues to risk a sentence up to five years of imprisonment. Here are what they said: - Amnesty International: "A huge sigh of relief because the 22-month prison tunnel ends and we hope this is the first step to then reach an acquittal provision". Now every minute that passes, in which you don't do it Nothing for Patrick risks being really lost time Colpev Oly from Italian institutions ".; Surely now the destiny of the researcher registered with a master's degree on the gender studies at the Bologna University is no longer in hand in the manusian prosecutor's office, where ¢ â € <sup>TM</sup> was detained earlier. Meanwhile, Fabio Massimo Castaldo (M5S) and Pierfrancesco Majorino (PD), promoters of the letter addressed to Ursula von der Leyen and Josep Borrell asking to give the right priority to the community of Zaki, they said: "We have sent this morning A letter subscribed by 40 European deputies to the President of the European Commission and at the High Representative of the Union, urging the need for a strong EU commitment to Patrick's liberation ". ; Group activists  $\tilde{A} \notin \hat{a} \in \hat{a} \notin \hat{a} \hat$ ¢ â € œTone; informs him of the outcome of his; hearings; and knows only that ; detention; it was renewed when they come to take those who have been released without beating his cell in ¢ â. As usual, we don't know anything, "they wrote on the Twitter Freepatrick account. This day has a huge meaning for me, it reminds me of what we once had and when we dreamed of.; And again:" also, shocked us Knowing that it was so depressed to say: 'I rarely go out of my cell during the day, because I can't understand why I'm here and I don't want to face the reality for which I can go walking On and already within a few meters, and then be locked up again in a cell even more small "... David Sassoli:" Finally Patrick Zaki will be released. "Brought handcuffed to the cage of the; defendants, like a dangerous criminal. You don't forget about the homosexual world (a crime in Egypt), according to parents, the young researcher is  $\hat{a} \in \hat{A}$  effect his free opinions, but knows well The limits. Walid Hassan, another of the lawyers of the Egyptian student of the university of Bologna, stressed that the extension was foreseeable since the hearing on Sunday 26 July was  $\hat{a} \notin \hat{a} \notin \hat{a} \oplus \hat{a} \oplus \hat{a}$ All ten possible renewals of the precautionary custody for 15 days ordered by the power of attorney have now been used; for the renewal of a month and a half, the authorization of a judge is needed). Patrick, released but not acquitted since 8 December, It therefore still remains accused by the Egyptian authorities of the dissemination of false information through three arts newspaper and therefore continues to risk a sentence of up to five years of imprisonment. And the lawyers, while on site were the diplomats of Italy, Belgium, Germany, USA and Spain. The occasion of the student's presence was motivated by the presentation at the Oratory San Filippo NeriÃ, an Egyptian history', the comics of journalist Laura Cappon and artist Gianluca Costantini, published by Feltrinelli, who tells the biography of Patrick. What will decide to do Logan? On that occasion the defense should present a defensive memory already announced. The charges at his expense are based on 10 posts of a Facebook account (which his lawyers consider false) and for which he is guilty of:; "dissemination of false news", "Protest incitement" and "instigation to violence and terrorist crimes ". At 16 June 2021, that petition; has reached; 269 thousand signatures. From the classroom of Mansoura where the second hearing of the process was carried out, told the Italian header; to be aware of the mobilizations in him favor of him in the squares of the squares of our country. Dear Patrick, we are waiting for you with open arms! #Freepatrickzaki #buonComplowAnopatrick # Patrick30 à ¢ â € â € œ Mnesty Italia (@amnestyitalia) June 16, 2021 In honor of the young man, in Bologna several initiatives were organized, including the publication, next June 30, of the still struggling, "he added Zaki, emphasizing the importance of being back to study, although at a distance, ã, after 22 months of pentening. "It was a beautiful examination, with even a little bit of emotion", the comment by Rita Monticelli, coordinator Master attended by Zaki and municipal councilor of Bologna. ; For the DEM; Laura Boldrini; "The last letter from Patrick is a punch in the stomach. And yet, only Sunday 12 December, a quest from Fabio Fazio to" Che tempo che fa ", Patrick had claimed not to be subjected to Any travel ban. I would also like to say a sincere thanks to all those who in these years, starting from the structures of the Ministry of Foreign Affairs, have never stopped working to get to this first fundamental decision ".; Agree also the undersecretary to Marina Sereni Foreign Affairs, according to which the attribution of citizenship is a symbolic measure, "without practical effects to protect the interested party". The last interrogation had took place on July 13th, which however was the first of the arrest in February 2020, but since then Patrick has not been more questioned, "explained Lobna Darwish, representative of the NGO Ã ¢ Â Â Â Ê EipR ". The feeling is to be at the last curve, but we still don't know how straight there is to do, "said the spokeswoman from Amnesty International Italy Riccardo Noury, present at the event. The Italian government does not can continue to pretend nothing in relationships with a country that continues to violate human rights in this way ¢ â € â € œ I had luck - he reads then - to be between my family and my loved ones in One day like today, but I can't forget my brothers and sisters who are not yet with their families. After thanked him for the great opportunity, the young activist will tell you to pick up Los Angeles soon. - Luigi Di Maio: Foreign Minister Luigi Di Maio commented on the release on Twitter: "The first goal achieved: Patrick Zaki is no longer in prison.; And so the student of universities. in Bologna enters the second year of detention after being captured; on 7 February 2020; with the accusation of propaganda And this "despite all the attempts of Patrick's defense team", which "were welcomed with a refusal". "The idea that Patrick can spend after 22 months a night in a place other than prison excites us and fills us with joy. The fault of him? Thanks again for Ciã Â<sup>2</sup> that he has done and said about me," he concluded; "Also in the light of international law and principles, - he explained - Italy would in fact encounter significant difficulties in providing consular protection to the young man, being also an Egyptian citizenship, a principle applied by the 'Egypt in a particularly stringent way ". "We had asked the Italian government in time to move," he continued, "because we feared this moment.
